

RESIDENCE AT CANOPY POINTE

WILMINGTON, NC

Located in Porter's Neck, in Wilmington, NC, Residence at Canopy Pointe is an affordable senior housing project that includes a collection of one and two bedroom apartment units and ample community space. Community amenities include a fitness center, secure entry, elevator, theater room, laundry facilities, craft room, library, and community center with multi-purpose room. The outside gathering spaces include garden plots, a screened porch and gazebo. The spacious open-floor apartment homes offer energy efficient appliances, breakfast bar, washer / dryer hook-ups, and balconies with resident storage. The design of the project complements the architecture of the adjacent coastal community, with light pastel exterior finishes and beige brick veneer.
